Dear media representatives, Dear ladies and gentlemen,

Roughly two months before the official start of the big Bauhaus Centenary in 2019, the Bauhaus Association 2019 invites you to a central press conference about the programme being held in Berlin, where you will have an ideal opportunity to become familiar with the extensive nationwide centenary programme and its key protagonists.

Your partners in dialogue:

Dr. Klaus Lederer	Senator for Culture and Europe of the Federal State of Berlin and this year's Chair of the Board of Trustees of the Bauhaus Association 2019
Dr. Sigrid Bias-Engels	Group Leader for Promotion of Art and Culture with the Federal Government Commissioner for Culture and the Media
Friederike Tappe-Hornbostel	Head of Public Relations, German Federal Cultural Foundation
Dr. Annemarie Jaeggi	Director of the Bauhaus-Archiv / Museum für Gestaltung in Berlin
Bettina Wagner-Bergelt	Artistic Director of the Opening Festival for 100 years of bauhaus
Christian Bodach	Director of the Head Office of 100 years of bauhaus, Bauhaus Association 2019

We appreciate your interest. Please let us know by 20 October 2018 if you will attend by writing to kl@neumann-luz.de.

With best regards,

Kathrin Luz and Andrea Brandis
